LOT 185 - TMG Industrial 2200lb Gantry Crane-Unused

Description

Features

- Built with high-quality steel, making it durable and long-lasting, this crane is able to withstand harsh environments of all kinds and move heavy loads with ease
- Height will adjust from 94" to 143" so it can be used in a variety of settings with the ability to lift heavy machinery, large equipment, or construction materials
- An auto-lock feature ensures the unit stays securely in place during use, providing peace of mind and safety for workers; no need for additional locking mechanisms
- The crane can be quickly assembled and disassembled, making it easy to transport and use in multiple locations, ideal for businesses whose worksite will vary

- A lifting capacity of up to 1000 kg (2200 lb) makes this crane suitable for lifting heavy loads in different industries, reducing the risk of injury and saving time
- 94" between the vertical beams ensures that this crane can adapt to all your working needs by offering plenty of space for lifting large and bulky items

- This product is packed in a wood crate shipping
- Shipping dimension: 89" x 20" x 13" (L x W x H)
- Shipping weight: 335 lb

Product Description

The TMG-AGC10 Adjustable Height All-Steel Gantry Crane is a versatile and practical solution for your lifting needs. This crane can adjust from a minimum height of 94" to a maximum height of 143", and has 94" between the vertical beams to provide ample space for lifting heavy loads. The quick assembly and disassembly feature makes it easy to transport and use in various locations, as well as an auto-lock to ensure the unit stays securely in place during use.

With a lifting capacity of 1000 kg (2200 lb), you'll be able to easily maneuver even your heaviest loads. Especially useful in industries like manufacturing, construction, transportation, and shipping. Move steel beams, concrete blocks, machinery, refrigerators, engines, generators, transmissions, and more.

This functional crane is a reliable piece of equipment to have around the shop, loading dock, or maintenance shop. Its economical frame doesn't take up much space either and is easily stored when not in use.

TMG Industrial 2200-lb Adjustable Height All-Steel Gantry Crane, Auto-Lock, 94" Min. Height, 143" Max. Height, Locking Swivel Casters, TMG-AGC10
