

Sale Name: CRANBROOK-September 27th, 2023

LOT 211 - TMG Industrial 4'x8' Metal Pent Shed-Unused

Description

Features

- Conveniently sized shed for the storage of your bicycle, lawnmower, tools, fertilizer products, soil and equipment that can be used for any garden or backyard
- Galvanized corrugated metal sheet panels are durable and highly resistant to moisture and sun exposure
- 60" wide front opening, swinging doors allow easy access to large items such as a bicycle or lawn mower; separate end closet storage compartment for smaller tools and items
- Pent roof design prevents snow and water build-up to avoid a damaged or collapsed roof; no more replacing shingles or worrying about leaks

- Two air vents maintain airflow to prevent sweating in the summer while also allowing fumes and odours from outdoor products to escape
- Includes 8 anchors for stability and all other necessary hardware for an easy self-tap screw together assembly

- Colour: Charcoal Grey
- All assembly hardware included
- Assembly required: medium
-
- Packed in a carton shipping box
- Shipping dimension: 71" x 29" x 4"
- Shipping weight: 150 lb

Product Description

The TMG-MS0408 Bicycle Metal Pent Shed is a conveniently sized and multi-use storage solution for any backyard or garden. Store your bicycle, lawn mower, mulch, fertilizer, hand tools, buckets and other gardening equipment for easy access and secure weatherproof protection.

Galvanized corrugated metal sheet panels are highly resistant to water and sun exposure making this shed durable and long lasting. The pent roof design also allows rain and snow build up to easily slide off the structure preventing collapse and damage.

Built in air vents help to maintain steady airflow, preventing overheating and allowing the escape of fumes or odours from garden products. Front swinging doors for large item access and a separate side closet for smaller tools creates a versatile and protective storage solution(the side door can only be installed as shown on the picture).

TMG Industrial 4' x 8' Bicycle Metal Pent Shed, 29 Gauge Corrugated Metal, 70" Upper edge, TMG-MS0408
