

**Sale Name:** CRANBROOK-September 27th, 2023

**LOT 236 - TMG Industrial 72" Tow Behind 3 Point Hitch Mower-Unused**

## Description

### Features

- Compatible with 30-50 HP sub-compact/compact tractors for cutting grass, weeds or other vegetation at your home, farm or commercial property
- 72" of working width is spread across a heavy-duty 11 GA steel decking platform that takes care of large areas in a quick and efficient manner
- Adjustable cutting height of 1" to 4" allows you to produce a fine, elegant, consistent finish every time depending on use or desired look
- Three 24" heat-treated steel cutting blades require little maintenance and are powered by a cast iron direct drive gearbox that spins them at a forceful 540 RPM
- Supported by four solid nylon tires for tough work no matter where you are and easy rolling storage into your barn, shed or garage
- Produces consistent, nicely sized clippings that distribute evenly out the back while mowing with no need for extra, unnecessary clean up

- 3-point Category 1 floating hitch hookup and included PTO driveline shaft draw power directly from your tractor and are easy to attach

## Product Description

**The TMG-TFN72 Tow-Behind 3-Point Hitch Finish Mower makes the cutting of uneven, overgrown and unfinished terrain efficient and easy to do. Simple, easy 3-point hitch Category 1 hookup with included PTO shaft for use around your home, farm or commercial property. This mower is the perfect attachment for your tractor and turns it into a versatile maintenance machine to keep your property looking sharp.**

72" of working width for fast, effective cutting and a floating hitch that maintains a balanced finish even on coarse, rough grounds. Adjustable cutting heights from 1" to 4" depending on your desired look or use, and a heavy gauge steel deck that will stand up to tough rural properties and work environments. This is a long-lasting, low-maintenance mower that will provide high quality cutting action for many years.

Three heat-treated 24" steel blades are powered by the cast iron direct drive gearbox which spins them at a forceful rate of 540 RPM for consistent, clean cutting.

**TMG Industrial 72" Tow-Behind 3-Point Hitch Finish Mower, 30-50 HP**
