LOT 19 - TMG Industrial 3 Ton 5' Lift Lever Chain Hoist-Unused

Description

Features

- Perfect stationary and/or portable lifting/suspension solution for industries such as transportation, shipping, marinas, construction and more
- 6600 lb/3 ton lifting capacity makes this hoist versatile and adaptable to uses such as installing machines, moving parts and dragging bags

- Designed with a Weston-style, dual pawl brake design that splits the load to opposite sides of the ratchet gear for load balance and security
- Extremely robust grade 80 load chain with high-strength end connections is complemented by a low-alloy structural steel plate
- 360° rotary motion allows the industrial-rated alloy steel hooks to easily rig and maneuver your loads with reliable precision and maximum safety

Specifications

- Style/power source: Manual gear
- Loaded capacity: 6600 lb/3 ton
- Lift height: 5'
- Required headroom: 19"
- Load chain fall number: 1
- Load chain diameter: 10 mm
- Grade 80 load chain made for industrial loading
- 2.5 times safety factor end anchor
- Rubber capped, ergonomic & non-slip lever handle
- Certification: ASME B30.21 & HST-3, approved by CE, GS certification
-
- This product is packed in a carton shipping box
- Shipping dimension: 22" x 6" x 8" (L x W x H)
- Shipping weight: 45 lb

Product Description

The TMG-AHL3 Lever Chain Hoist can be used in industries such as construction, transport and other areas for installing machines, lifting goods and dragging bags. A 6600 lb lifting capacity and 5' lifting height makes this hoist versatile and adaptable to your working environment, and is also ideal for portable use in workshops, factories, garages and more.

Designed with a Weston-style, dual pawl brake design that splits the load to opposite sides of the ratchet gear for load balance and security. The heavy-duty grade 80 load chain with high-strength end connections and a low-alloy structural steel plate are built to last in tough industrial environments, offering a high safety factor and long service life.

TMG Industrial 3 Ton 5' Lift Lever Chain Hoist, Twin Pawl Brakes, ASME

B30.21, TMG-AHL3
