## Product Description

**The TMG-HOW30 30" Professional Electric Wall Oven is designed to cater to your needs, featuring a spacious oven capacity of 4.8 cu-ft that can easily accommodate large family meals. The oven boasts a self-cleaning feature, which means you don't have to worry about scrubbing it clean after every use. It also comes with a temperature probe, broil element, and a hidden bake element, ensuring that your food is cooked evenly and to perfection.**

Finished in a stylish grey porcelain with white dots, giving it a modern and chic appearance that blends into your current kitchen decor. With 6 rack positions and two chrome plated racks (one gliding rack), and a drip pan, you can cook multiple dishes simultaneously with little to no mess and an easy clean up every time.

Advanced features include convection bake and roast, broil, and warming mode, giving you the flexibility to cook a wide range of dishes, from roasted vegetables to baked potatoes, or even a delicious cake. The child safety lock adds an extra layer of security to keep your little ones safe. Upgrade your kitchen today with this durable, long-lasting, and dynamic wall oven.
