Product Description

The TMG-LUA8 Square Offset Patio Cantilever Aluminum Umbrella is the perfect addition to any outdoor space. The 8' x 8' canopy provides ample shade for a patio table and chairs, and the cantilever design allows for easy placement without the need for a center pole. Equipped with a 360° rotation handle and easy-to-use system, this umbrella offers convenient opening, closing and tilting with just a few simple motions.

The solar charging panel on top absorbs energy to power the LED lights, which can be easily turned on or off and adjusted for brightness. The power bank on this umbrella can even be removed for use with other devices such as mobile phones and tablets.

Host barbeques, visit with friends or relax while reading a book. The modern, khaki coloured design, durable aluminum frame and high-quality fabric covering make this umbrella a stylish part of any backyard setup
