**LOT 88 - TMG Industrial Pro Series 10' 20 Drawer Workbench-Unused**

## Description

### Features

- Versatile, commercial strength storage and work surface solution for your garage, repair shop, automotive business and any other type of industrial setting
- Fully welded frame with a galvanized steel drawer box, stainless steel drawer panels and powder coated finish for maximum wear resistance and durability
- 20 lockable drawers with double slides on both sides for the long lasting secure organization of your parts, hardware and tools
- Stainless steel finished table top work surface is highly resistant to rust, corrosion and wear for long term sustainable workflow
- Aluminum drawer handles that are resistant to rust and pre-cut inner drawer liners for bottom surface protection from scratches and dents
- 2" edge rise on the table top prevents tools and small parts rolling down behind the bench
