- Capacity: 20 ton
- Stroke: 7"

- Work range: Up to 35"
- Net weight: 218 lb
- Finish: Orange + black
- Material: Steel
- Aluminum alloy nickel-plated air pump
-
- This product is packed in a wood crate shipping box
- Shipping dimension: 67" x 28" x 10" (L x W x H)
- Shipping weight: 270 lb

Product Description

The TMG-ASP22 Hydraulic Shop Press is an essential piece of equipment for any type of automotive shop, machining, metalworks, fabrication or assembly operations. 20 tons of pressing capacity and a heavy-duty H-frame makes pushing bearings onto shafts, stamp work, bending or flattening metal safe, efficient and easy to do.

Smooth pneumatic and manual lever operations provide ergonomic relief, eliminate excessive effort and allow you to easily adjust the pressing bed up and down. 10 bed height positions offer superior workpiece flexibility that will adapt to your specific work setting and requirements.

The oil filled pressure gauge can be read in US and metric tons, and allows you to accurately monitor your pressing force while operating. Made to handle tough jobs like gear and bushing removal.

TMG Industrial 20 Ton Capacity Hydraulic Shop Press, Pneumatic & Manual Operation, 10 Bed Height Positions, TMG-ASP22
