LOT 228 - TMG Industrial Workstation 9 Piece Combo Pro Series-Unused

Description

Features

- Commercial strength tool storage and work surface solution for your home garage, workshop, barn, automotive business or other industrial setting
- Multi-use lockers, drawers and wall-mount cabinets each with their own locking mechanism to keep tools and parts secure
- Fully welded structural frame w/steel panels; each locker has an 800 lb weight capacity and the drawers feature heavy gauge bearing slides
- Approx. 70" rubber wood workbench space is ideal for hands-on work, repairs, part assembly, tinkering and job preparation
- Magnetic door latches keep the doors closed at all times when not in use, and each drawer/cabinet comes pre-assembled to minimize overall assembly time
- 4-drawer rolling cabinet that can be easily transported around a shop or garage to assist in automotive or equipment repair work

- Adjustable shelving is installed inside each cabinet with 3" increments so you can optimize your storage based on your own personal needs
- Full length recessed aluminum pull handles and a baked-on powder coating offers a sleek, heavy-duty appearance that is durable and wear resistant

Product Description

The TMG-GCC09B Pro Series 9-Piece Garage Storage Cabinet Combo Set w/Rolling Cabinet is a versatile, commercial strength tool storage and work surface solution for your home garage, repair shop, automotive business or any other industrial setting. Multi-use lockers and wall-mount cabinets provide numerous storage possibilities, and a rubber-wood finished work surface is great for long term smooth workflow that is resistant to scratches, impact and wear.

Equipped with separate locking mechanisms for each cabinet and drawer so you can keep valuable tools and parts safe in your residential or commercial setting. Each

locker has an 800 lb weight capacity and the drawers feature heavy gauge bearing slides. Magnetic door latches keep doors closed and secure at all times when not in use, and the drawers/cabinets come pre-assembled to minimize overall assembly time.

Adjustable shelving is installed inside each cabinet with 3" increments for optimized storage and utility, and the 70" workbench space is ideal for more detailed work or prepping all your tools and parts for a job. This storage combo set has full length recessed aluminum pull handles and a baked-on powder coating for a sleek, heavy-duty appearance that is durable and wear resistant

TMG Industrial Pro Series 9-Piece Garage Storage Cabinet Combo Set w/Rolling Cabinet, Rubber Wood Tabletop, Recessed Aluminum Handles, TMG-GCC09B
