

Sale Name: GREENWOOD, BC-APRIL 6TH, 2024

LOT 230 - TMG Industrial Stump Grinder-Unused

Description

Features

- Perfect piece of equipment for yard work, property clearing, agricultural land, wooded areas, commercial developments and more
- Walk-behind design allows you to easily transport and work anywhere on your property and even remote, hard to get to areas
- Powered by a reliable 14 HP Kohler Command Pro Series engine that runs a dual direct drive belt system capable of spinning the drum up to 3600 RPM
- 9 carbide steel teeth are housed in the 14" milling wheel and are designed to perform under heavy working conditions while maintaining sharpness
- 24" above ground and 10" below ground cutting depth to attack even the toughest root systems and varying stump sizes
- A centrifugal clutch and drum brake provide both an efficient and safe working operation that will keep this grinder performing at a high level for many years

- Heavy-duty, pin locked, all-terrain tires and a commercial grade construction keep this grinder secure while operating on gritty, knotted stumps

Specifications

- Assembled size: 60" x 30" x 30" (L x W x H)
- Carbide tipped teeth: 9
- Cutting wheel diameter: 14"
- Cutting wheel thickness: 3-½"
- Cutting wheel speed: 3600 RPM
- Cut capacity below ground: 10"
- Cut capacity above Ground: 24"
- Tire: 14-½"/7.0-6
- Centrifugal clutch
- Drum brakes
- Rear discharge
- Multi-position handle
 - This product is packed in a wood crate shipping box
 - Shipping dimension: 42" x 32" x 23" (L x W x H)
 - Shipping weight: 275 lb

Engine:

- Model: Kohler® CH440 14 HP Command Pro Series
- Type: Four-cycle, OHV, aluminum head & crankcase
- Displacement: 429 cc
- Start type: Recoil
- Oil capacity: 1.16 L
- Cast iron cylinder liners & Oil Sentry™ auto shut off

Product Description

The TMG-GSG9 Walk-Behind Kohler Powered Stump Grinder provides a dynamic cutting and turns tree base removal into a reality efficiently. Allows you to clear land of cumbersome stumps and maximize space to get the most out of your property investments. Powered by a reliable 14 HP Kohler Command Pro Series engine that delivers devastating, heavy-duty cutting action.

9 replaceable and bolt-on carbide steel teeth maintain their sharpness and rigidity even under the intense, 3600 RPM working load transmitted through the dual direct drive belts. This grinder has a 24" above ground and 10" below ground cutting depth capacity to knock out even the toughest root systems.

The walk-behind design allows you to take this equipment anywhere and everywhere. Its multi-position handle lets you grind from varying angles with incredible maneuverability. The all-terrain tires and commercial grade construction provide you with a secure cutting platform through the reduction of vibrational inefficiencies and overall stress on the operator.

**TMG Industrial Walk-Behind Kohler Powered Stump Grinder, 9 Carbide Teeth,
24" Cutting Capacity, 14 HP Gasoline Engine, TMG-GSG9**
