Product Description

The TMG-GWC3 Gas Powered 3-in-1 wood chipper, shredder & vacuum is garden care, property maintenance and yard clean up packed into one affordable and convenient all-inclusive machine. Mulch branches, shred debris and vacuum up loose leaves with this dynamic combo product. Tow around your property with the 1-7/8" hitch receiver that offers hassle-free hook up to your four wheeler for a simple home upkeep or commercial care solution.

Run by a reliable 7 HP Kohler Command Pro Series gasoline engine for heavy-duty, all day work and operation. It powers tough, durable double edge cutting blades that can chew through branches up to 3" in diameter and turn them into an even mulch that can be used for your garden beds or landscaping projects.

Top large feed chute for lawn clippings, compost, twigs, shrubbery and any other small brush or foliage will be processed in no time at all. Any loose leaves can be vacuumed up with the attached 8' retractable hose and ergonomic handle. Simply point the nozzle and let this wood chipper do the rest.
