

**Sale Name:** CRANBROOK, BC-MAY 8th, 2024

**LOT 289 - TMG Industrial Outdoor Metal Dog House-Unused**

### Description

#### Features

- Apex roof design that ensures your pet is protected from rain, snow, and wind - allows water to run off the roof, preventing leaks and keeping your pet dry and comfortable
- Detachable metal floor makes cleaning a simple task and ensures that your pet always has a clean, hygienic environment to relax in without odours or bacteria
- Comes with a 4-piece inner anchor kit that provides stability and helps to prevent the shelter from moving or tipping over; suitable for grass and concrete installation
- Spacious design means that there is plenty of room for your furry friend to move around, stretch out, and relax; generous door opening so they can come and go as they please

- Self-tap screw-together assembly ensures that the assembly process is quick, easy and hassle-free; two personnel recommended for efficient setup
- Assembled size: 42" (L) x 36" (W) x 36" (H)
- Floor footprint: 39" (L) x 31" (W)
- Floor space: 8 sq-ft (approx.)
- Peak height: 36"
- Door opening: 22" (W) x 20" (H)
- Apex roof design
- Detachable metal floor
- Suitable for grass & concrete
- Self-tap, screw-together assembly
- (4) Inner anchor kits included
- Colour: Charcoal grey + white (Anthracite Ral 7016 + white)
- This product is packed in a carton shipping box
