Product Description

The TMG-LKS10 TMG Living 7-Piece Stainless Steel Modular Outdoor Kitchen Suite Set is here to elevate your cooking game. The sink cabinet features a stainless steel sink, drain hose, and water pipe, so you can prepare your ingredients outdoors without having to go inside. A refrigerator cabinet module offers ample space to store all your favorite drinks and ingredients.

The BBQ grill cabinet, designed to hold a 4-burner built-in gas island grill, comes complete with two storage drawers and a bottom storage cabinet for your grilling essentials.

The corner cabinet module is the perfect piece to make an L-shape configuration for the ultimate outdoor grilling and entertainment setup, also providing additional counter space for preparing food. The wood-burning pizza oven adds a classic touch to your new outdoor kitchen, with an adjustable flue damper for heat control and a ceramic pizza stone for that perfect crust.

Crafted from durable stainless steel, this setup is easy to clean and resists rust, ensuring longevity. The kitchen also features recessed handles and a fixed bottle opener for a fully cohesive and unified design. Entertain your guests in style and prepare delicious meals outdoors like a pro with this incredible, all-inclusive outdoor unit.
