

Sale Name: GREENWOOD, BC-JUNE 15th, 2024

LOT 181 - TMG Industrial 11'x12' Wood Grain Galvanized Apex Roof Metal Shed-Unused

Description

Features

- Medium sized shed for the storage of tools, fertilizer products, soil, buckets and equipment that can be used for any garden or backyard
- Approximately 132 sq-ft of floor space provides plenty of room to store larger items and equipment like bikes, lawn mowers, long handled tools and more
- Galvanized corrugated metal sheet panels with a wood-grain appearance are durable and highly resistant to moisture and sun exposure
- 50" wide sliding door entry provides ample access into and out of your shed for the easy storage and removal of equipment, bikes and materials
- Sloped apex metal roof design directs moisture off the roof and eliminates the need to install and replace shingles or worry about leaks
- Four air vents maintain airflow to prevent sweating in the summer while also allowing fumes and odours from outdoor products to escape

- Self-tap screw-together assembly that can be performed by you and a friend with basic household tools for a quick and easy setup
 - Assembled size: 144" (L) x 126" (W) x 87" (H)
 - Floor footprint: 139" (L) x 122" (W)
 - Floor space: 132 sq-ft (approx.)
 - Edge height: 67"
 - Peak height: 87"
 - Door opening: 50" (W) x 67" (H)
 - Metal sheets: 29 GA
 - Support frame: 22 GA
 - Colour: Wood grain
 - Four air vents
 - Self-tap screw-together assembly
 - All assembly hardware included
 -
 - This product is packed in a wood crate shipping box
 - Shipping dimension: 79" x 32" x 12"
 - Shipping weight: 335 lb

Product Description

The TMG-MS1112 Wood-Grain Galvanized Apex Roof Metal Shed is a compact and multi-use storage solution for any backyard or garden. Store your mulch, fertilizer, hand tools, lawn mowers, bikes, buckets and other gardening equipment for easy access and secure weatherproof protection - all in one compact and easy to assemble package.

Galvanized corrugated metal sheet panels with a wood-grain appearance and apex roof design are highly resistant to water and sun exposure making this shed durable and long lasting. Four built in air vents maintain a steady airflow throughout the structure, preventing overheating and allowing the escape of fumes or odors from garden products.

A 50" wide sliding front door entry provides ample room for the storage and removal of equipment and materials.
