

**Sale Name:** GREENWOOD, BC-JULY 27th, 2024

**LOT 285 - 2024 AGT Tire Balancer-Unused**

### Description

Unused 2024 AGT tire balancer, model ATK-WB24A, approx. weight 120kg.

**10-24" self-calibrating wheel balancer** is an accurate and durable wheel balancing machine that offers precision performance at an exceptional value. It features multi-mode vehicle balancing for cars, plus static/dynamic and 4 ALU balance configurations. Included are four centring cones, hammer/pliers, width gauge caliper, and a quick release nut. Weight can be measured in grams and ounces. This wheel balancer is great for auto shops and racing teams.

**10-24" self-calibrating wheel balancer**—an accurate /durable wheel balancing machine—offers precision performance at an exceptional value.

**Features** -multi-mode vehicle balancing for cars, plus static/dynamic 4 ALU balance configurations.

- **Lots 285, 485 are grouped together. Timed grouping of lots allows similar lots to be bundled together and sold. This gives interested buyers the option to bid on one lot or multiple lots within the group with all lots remaining open until bidding ends for the group. Each lot can be sold at a different price and/or to a different buyer.**

**Quantity: 1**
