- Shipping dimension: 32" x 19" x 10" (L x W x H)
- Shipping weight: 85 lb

### **Product Description**

**The TMG-AJT10 Transmission Jack will make the removal and installation on your next transmission job simple and easy to do. It has a low-profile design and 1100 lb carrying capacity to hold and move most transmissions with incredible effectiveness and efficiency.**

This jack features a 360° moving handle that offers diverse rotational mobility for hard to reach lifting points. A manually operated hydraulic system will effortlessly lift your transmission, and a bypass system prevents over-extension and accidental overload onto the unit.

Four heavy-duty swivel caster wheels allow for easy maneuvering throughout your shop, and maximize the storage capabilities of this jack's already sleek and compact design.

**TMG Industrial 1100-lb Low-Profile Transmission Jack, Swivel Casters, 360° Moving Handle, TMG-AJT10**
