

Sale Name: CRANBROOK, BC-SEPTEMBER 4th, 2024

LOT 128 - TMG Industrial 10'x10' Hardtop Curved Steel Roof Gazebo-2 Boxes-Unused

Description

Features

- Charm your loved ones with this elegant outdoor shelter that is perfect for hosting BBQ's, dinner parties, coffee visits and more
- Designed for reliability, the powder coated steel and aluminum frame keeps this unit sturdy, strong and resistant to rust and corrosion
- Delightful brown marble colouring integrates into any outdoor arrangement and could also be used as a standalone feature
- Double track system for mosquito netting and privacy curtains create a more intimate gathering experience while keeping pesky insects away
- Galvanized, rust-resistant steel rooftop offers more protection than a traditional canopy, blocking UV rays and shielding you from rain
- Hardtop curved steel rooftop has been engineered to reduce snow and moisture build up for a long lasting, dependable construction

- Pre-drilled base anchor holes and included anchoring hardware to install on concrete pad or wood patio; ground stakes included for softer grounds
