

**Sale Name:** CRANBROOK, BC-SEPTEMBER 4th, 2024

**LOT 148 - TMG Industrial 72" Root Rake Clamshell Grapple-Unused**

## Description

### Features

- Grapple capacity up to 3000 lb to handle jobs in forestry, recycling, scrap yards, construction, agriculture and more
- 72" of working width and open end design allows you to work with varying sizes of logs, brush, roots and awkward debris
- Twin hydraulic cylinder grapple arms (with guards) operate under 3000 PSI of pressure for a heavy-duty working capacity
- Greasable pins with bolt-locked design for simple routine maintenance that ensures this attachment's long-lasting lifespan and dependability
- Reinforced weld-on curved teeth slide effortlessly across the ground, picking up debris while leaving the surface undisturbed
- Included hydraulic hoses for simple hookup and efficient energy transfer between the grapppler and skid steer

- Universal mount that will fit most skid steers, turning it into a multi-use, versatile jobsite asset that is strong and reliable
