

Sale Name: CRANBROOK, BC-SEPTEMBER 4th, 2024

LOT 155 - TMG Industrial 29" 50 PVC Reflective Traffic Cones-Unused

Description

Features

Quantity of 50 traffic cones

- 14" wide, heavy-duty weighted base provides exceptional stability, making these 29" high cones resistant to being knocked over by wind or vehicles
- Equipped with two reflective high-intensity bands and a fluorescent orange color, these cones are highly visible in all conditions, even low-light environments
- Made from premium PVC material, these cones are highly durable, long-lasting, and resistant to deformation in extreme weather, both hot and cold
- Each 7 lb cone features an indented handle that makes them easy to pick up, tie caution tape to, and move around as needed
- Product height: 29"
- Base size: 14" x 14"
- Material: Heavy-duty PVC
- Product weight: 7 lb/each
- (2) Reflective high-intensity strips
- Indented handle

TMG Industrial 29" PVC Reflective Traffic Cones, 14" Square Base, Hot & Cold Weather, High-Intensity Reflective Bands, TMG-TC29

- **Lots 153-157 are grouped together. Timed grouping of lots allows similar lots to be bundled together and sold. This gives interested buyers the option to bid on one lot or multiple lots within the group with all lots remaining open until bidding ends for the group. Each lot can be sold at a different price and/or to a different buyer.**

Quantity: 1
