

Sale Name: CRANBROOK, BC-SEPTEMBER 4th, 2024

LOT 254 - 2024 LandHonor 96" Grader-Unused

Description

- The Grader Blade attachment can turn your skid steer into a high-performance grading machine. It features a 96" wide blade, a control box for in-cab hydraulic control of angle and tilt and a replaceable cutting edge. It also features an electromagnetic valve to gradually adjust the height, angle and tilt of the blade. It is ready to accept a laser control system for perfect grading. Use the optional laser system with an our grader for a perfect grade every time! The transmitter features +/-15% X axis grade range, 0.5% to +25% Y axis grade range and high accuracy up to 3,000 ft. The receiver features bright green "on-grade" indicators and red "off-grade" indicators, and simple, one cable attachment. Approx. weight 484 kgs.
