Product Description

The TMG Industrial 72" forklift extensions are great for moving oversized pallets, odd-shaped loads, and reaching hard-to-reach items on shelves. They are designed to fit on standard forklift forks and are 72" long and 6" wide each. For added visibility and durability, they are powder-coated orange

TMG-FE72 72" Forklift Extensions, 1500-LB Capacity, Heel Restraint, 6" Wide, 2.5" thick.

Lots 239-248, 302-303 are grouped together. Timed grouping of lots allows similar lots to be bundled together and sold. This gives interested buyers the option to bid on one lot or multiple lots within the group with all lots remaining open until bidding ends for the group. Each lot can be sold at a different price and/or to a different buyer.

Quantity: 1
