

Sale Name: GREENWOOD-April 1, 2023

LOT 139 - 2022 Mower King Skid Steer Chipper-Unused

Description

- AGT Wood Chipper has Thick and durable high-quality powder spray paint
- Hydraulically operated
- Chips 4-inch diameter timber
- Rotating debris chute
- Adjustable material hopper

Designed to be powerful and solid, the AGT Industrial Skid Steer Wood Chipper is ready to chip tough branches thanks to its high torque cycloidal motor and angled high-efficiency rotor.

Offering incredible performance for the cost, this wood chipper with a universal skid steer mount is capable of making quick work of branches up to **4" diameter**. Cleaning up fallen branches and wood is a breeze with the SSBX42S skid steer wood chipper.
