- The Power Rake provides the optimal combination of power and durable. It has been engineered for rugged use and straight-forward, no-nonsense maintenance. It can handle even the most rugged surfaces, tear up roots and small stumps, and leave behind a clean and fresh seed bed.

Lots 80-82 are grouped together. Timed grouping of lots allows similar lots to be bundled together and sold. This gives interested buyers the option to bid on one lot or multiple lots within the group with all lots remaining open until bidding ends for the group. Each lot can be sold at a different price and/or to a different buyer.
