LOT 74 - UNUSED 2025 AGT Industrial YSZT14 Loader

Description

This handy machine comes packed with features to make your work easier. It's got a bucket you can switch out for different tasks, extra hydraulics for more versatility, and starts up with just the push of a button. Plus, it's designed to keep cool under pressure with a hydraulic oil cooler and comes with a handy work light and tool box. Powered by a reliable Zonsen gasoline engine, it's got enough oomph with 17 horsepower to handle loads up to 660 lbs and with easy-to-use hand controls and a stable 6" track width, it's a breeze to operate. Whether you're reaching up to 98" or dumping at 61.5", this machine's got you covered for all your material handling needs.

Approx. weight 870kg

Lots 65,66,74,99,100,101,102 are grouped together. Timed grouping of lots allows similar lots to be bundled together and sold. This gives interested buyers the option to bid on one lot or multiple lots within the group with all lots remaining open until bidding ends for the group. Each lot can be sold at a different price and/or to a different buyer
