

**Sale Name:** Kelowna, BC July 5th, 2025

**LOT 250 - High Water on the Mississippi**

### Description

#### High Water on the Mississippi

This evocative print depicts the Mississippi River in flood, with a house nearly submerged—only its roof visible above the rising waters. People gather on the roof, highlighting resilience amid adversity, while a tugboat moves steadily in the background, symbolizing perseverance and life along the river. 17X20

**Quantity:** 1
