LOT 267 - The Battle of Waterloo — 19th Century Original

Description

The Battle of Waterloo — 19th Century Original

This powerful original print from the 1800s captures the pivotal moment of the Battle of Waterloo with vivid detail and historical depth. Rich in drama and emotion, the artwork portrays the intensity of combat, the determination of soldiers, and the sweeping scale of one of Europe's most defining battles. A true testament to 19th-century artistry and historical memory. 26X19
