**LOT 274 - The Old Bone Man of the Plains 12X10**

### Description

This print tells the quiet story of the Old Bone Man of the plains—a relic of the frontier, surviving with fire, bone, and loyalty. His dogs keep him company as the prairie wind whistles through the skeletons of the past. It is a portrait of endurance, isolation, and the simple dignity carved from a hard-lived life. 12X10
