**LOT 286 - W.H. Bossons Decorative Plates**

**Description**

W.H. Bossons, a renowned English manufacturer, is celebrated for its chalkware plaques and decorative plates. Their floral plates often feature vibrant, hand-painted designs, capturing the essence of English gardens and countryside blooms. These plates are typically crafted from chalkware, giving them a unique texture and depth.

Collectors and enthusiasts value these pieces for their craftsmanship and the nostalgic charm they bring to home decor. Whether displayed individually or as part of a curated collection, Bossons floral plates add a touch of vintage elegance to any space.

**Quantity:** 1
