LOT 287 - Norman Rockwell Decorative Collector Plates

Description

Norman Rockwell's iconic illustrations, celebrated for their heartwarming depictions of American life, have been immortalized in a series of decorative collector plates. These plates, produced by renowned manufacturers such as Knowles China, Gorham, and The Bradford Exchange, feature reproductions of Rockwell's beloved artworks.

Artistic Representation: Each plate showcases a detailed reproduction of Rockwell's artwork, capturing the essence of mid-20th-century Americana. Many plates were released as limited editions. Typically crafted from fine porcelain, these plates often feature gold or platinum accents and are designed for wall display.
