LOT 69 - AGT-UNUSED 2025 MY50R 2-Ton Mini Excavator With 29 HP RATO Engine

Description

- **Strong Power**The MY50R mini excavator is powered by a robust 29 HP air-cooled, twin-cylinder engine, delivering reliable strength for demanding tasks. It offers a maximum vertical digging depth of 1,983 mm (78 inches)—ideal for trenching, small foundations, and tight-area excavation.
- **Hydraulic Thumb Included Cabin**Comes equipped with a hydraulic thumb, making it easy to grip and move logs, rocks, and debris.
- **Easy Maintenance Access**The rear engine compartment features a wide-opening hood for quick inspections and convenient servicing.
- **Effortless Operation**Pilot-operated joysticks with hydraulic assist provide smooth, low-effort control, with ergonomically placed levers for comfort.
- **All-Weather Cabin**The fully enclosed cab includes work lights, mirrors, and a ventilation fan—keeping operators safe and comfortable in any conditions.
- **Zero Tail Swing for Tight Spaces.** Compact body allows full rotation without overhang, letting you work flush against walls, fences, or structures without worry.
