

Sale Name: Cranbrook, BC September 13th- 20th, 2025

LOT 289 - StanForge (TMG Industrial) 116 Gallon Diesel Poly Fuel Tank-Unused

Description

Features

- Heavy-duty fuel storage solution that is compatible with diesel, biodiesel and kerosene; *not compatible with gasoline
- Save time and money by eliminating travel costs and buying fuel in bulk while enjoying the portability and convenience of this 116-gallon tank
- Included fuel pump easily connects to a 12 V battery (not included) for a pump flow rate of 10 GPM and a nozzle flow rate of 7 GPM
- Automatic diesel dispensing nozzle makes for easy, quick fill ups on your vehicles or machines and the fuel level indicator lets you know when you're running low
- Pre-molded recesses for ratchet straps help you easily secure this tank with tie downs to your vehicle or dedicated platform in your shop, barn or warehouse

- Reinforced single wall design and overall commercial grade poly construction ensure the secure, proper storage of your fuel to reduce spills and maximize safety
- 2" filling plug with safety vent for pressure, de-pressure and overturning helps keep the internal environment of the tank stable and regulate
