LOT 314 - StanForge-SBC60 Pro Series 60" Extreme Duty Open Front Skid Steer Brush Cutter, 15-25 GPM, Univer

Description

StanForge-SBC60 Pro Series 60" Extreme Duty Open Front Skid Steer Brush Cutter, 15-25 GPM, Universal Mount, StanForge-SBC60

- Use at your home, farm, commercial property or jobsite to clear brush, deadwood, brambles, briars, saplings, other small trees and more
- 60" of working width makes the clearing of larger areas fast, efficient and easy to do with reliable, high performance cutting action
- Save money by having this attachment on hand and making your skid steer more versatile; no need to rent larger equipment
- Front push bar topples even taller trees with small diameter trunks to the ground and flattens dense bush so it fits under the mower deck
- Two 1/2" heavy-duty steel cutting blades chew through vegetation and turn it into a nicely sized mulch that decomposes and nourishes the ground

- Low profile deck design is only 22" high making it easy to store in the off season when it needs to sit in your shed, barn or garage
- Equipped with a universal quick attach mount that fits most skid steer makes and models; also includes hydraulic hoses and flat face couplers
- Skid steer power recommended: 35-100 HP
- Overall size: 79" x 62" x 22" (L x W x H)
- Cutting width: 60"
- Cutting blades: 2
- Blade thickness: ½"
- Blade material: 65 Mn steel
- Blade holder thickness: ¾"
- Hydraulic flow required: 15-25 GPM
- Minimum cutting height: 2"
- Maximum cutting diameter: 2"
- Deck steel thickness: ¼"
- Maximum operating pressure: 2900 PSI
- Hydraulic hoses & flat face couplers included
- Universal quick attach skid steer mount
